A SELECTION OF OUR TESTIMONIALS

"The London Gatwick and Heathrow airport set was absolutely fantastic with age old Christmas classics performed in such a unique way. The three girls (Polka Dots) looked beautiful, their tight harmonies carried throughout the shops enticing all the Christmas passengers in to the stores to see what was going on. I enjoyed this performance so much that I automatically booked the team to sing at my wedding in June 2011!"

"Many thanks for your performance during the Yeomanry annual dinner and congratulations on the quality of act. Your choice of songs (Chattanooga Choo-choo, etc.) was excellent and the dancing and singing delightful. It could not have been a better treat for the veterans present. Hope to see you again some time."

J CHART, PRIVATE PARTY SE LONDON

"I would like to take this opportunity to thank you so much for the wonderful performance you all gave and I am sure you would like to hear we have received great feedback on your act. Many said it was like stepping back in time of Glen Miller and the Andrews Sisters and all that kind of music and how nice it was to hear it all again and how in that era, people had time for each other, so you see the Polka Dots bring back so many memories."

M CARO, SWISS COTTAGE FESTIVAL

"We discovered UMM Events whilst at a friend's wedding. We were so impressed with the professional quality of the entertainment, we had to use them for our own wedding, and we weren't disappointed! From start to finish everything was made easy for us. Ella's knowledge and expertise really helped us with planning our day and helped us address some issues we wouldn't have even considered.

All in all the day ran so smoothly not just for us but our guests noticed it too, leading some guests to comment on how well planned the day seemed. It is our belief this was all thanks to Ella and her team at UMM Events."
